Cougar Quest 2015 Workshop
Grades 7 - 9
July 19 - 24, 2015

Unleash your creativity and learn to code! Even if you are a beginner, this workshop will empower you to express yourself using your computer. You will develop fun games, design 3D printed objects, build exciting apps for your smartphone, and learn to control robots. Let your imagination run wild!
Come join us and learn to code in a fun and supportive environment.
