

Shave this, Huskies!!!

I hereby offer to wager my beard on the Apple Cup against any bearded Dawg fan, and will give up to 10:1 odds (per length above). To wager, send email by 9am Saturday to shavedadawgs@pullman.com, and include your name and contact info. Loser shaves their beard off.

This is an **Affirmative Action, Equal Opportunity offer** and does not discriminate by race, ethnicity, religion, or gender. In particular, I realize that **at least half of female Husky fans have significant facial hair to wager**, and I especially encourage them to accept this challenge. **GO COUGS!!!! MUSH THE HUSKIES!!!!**
