

CptS 464/564 Homework #4

Given: Wednesday 11-APR-2020

Due: Sunday 19-APR-2020 at 1159pm via Blackboard.

Turn in a PDF with your answers to the following questions. For each question, type in the question (and number) in bold followed by your answer in non-bold (you may use italics or underline some if you wish). All exercise numbers here are from the text CDKB5.

Note: typically, no more than 3 paragraphs is needed for any answer, and sometimes a focused single paragraph will suffice. You may include a figure if you think it helps, but don't get too hung up on it.

Each question is worth a maximum of 20 points.
