Talk QWERTY to me
• Labs: submitted before Mon/Tue lab period
  – Can be demoed at beginning of the lab
  – Trouble connecting?
  – Work in groups?

• Rubric:
  – Same general points (formatting, comments, variable names)
  – Some lab-specific ones
public class Name {
    constant definitions
    variable declarations
    constructor
    methods
}

• Moveable face
  – Circles
  – Squares

**Mutator vs. Accessor** methods

Wink method?
• MyroUtils.randomInt(a,b)
  – Inclusive

• Random eye blinks
